VISION CARE SERVICES FEES

Summary of features offered

Amacore Vision is the nation's largest cost share vision network with over 30,000 Eye Care Professionals including Eye MDs, Optometrists, Opticians and optical outlets in over 13,000 locations nationwide. It is the only national network that includes Ophthalmologists who discount all of their services on medical and surgical procedures, including cosmetic surgery and LASIK. Amacore Vision also provides substantial discounts on all contact lenses, frames and designer sunglasses, in addition to providing one FREE eye exam per membership for prescription glasses.
